As I stop relying on food or drink to relieve anxiety, deal with stress, or numb my emotions, I will develop new self care practices like:

Connecting with a friend
Prioritizing sleep
Journaling

My Why

I'm committed to my Whole30 because...

My WHOLE30 Mantras

- I am worthy of keeping this commitment. I deserve this experience, and I will advocate for myself during this time.
- During the Whole30, my only job is to put Whole30 food in my mouth. **There is no "perfect" Whole30;** I am successful when I simply follow the rules.

Reintroduction

"There is no food freedom without a proper reintroduction." - Melissa Urban

My Reintroduction plan is:
